Luke Will

It's been such a great time throughout the years: meeting new friends, learning songs, and making memories. I'm going to miss it a lot, but even more than that, I'm excited to see what the future holds for those who will succeed me.

Emma H.: To you, Emma, I leave behind hibiscus flowers, teleportation, Patrick Swayze hall of fame, 10000 snee haws, and Mariah Carey's hit single "All I Want For Christmas Is You." Have fun with your last year in band, I can't wait to see where you go!!

Olivia R: For my beloved Olivia, I gift one (1) tender smooch on the lips from that time in 8th grade that you had a crush on me

CecileMarie: To you, Ceceile, I leave the Ceceile chant and "ree for 10 hours."

Robbie: Robbie, to you I gift the ability to put up with Caitie's ... podcast obsession. Good luck.

Ethan: Salted drinks, fish the invisible dog, and prank calls to Ian the robot. I know that I don't need to tell you of all people, but have fun bro!

Greta: 1097 Chanel binder clips: one for each day that I wore it, as well as a CD of single ladies by Beyoncé.

Sam B: Sam, I gift you a neck brace, so that you may eventually heal from that absolutely unsafe ride at the Washington County Fair we went on together.

David B: A pack of Arnold Palmers

Alaina W: To you, I leave behind complete memorization of the lyrics to every musical in existence (although you may already have this gift.) I'll never forget all of the weird and random late night conversations we had on the band bus. Enjoy your senior year next year!!

Alex C: I couldn't have asked for a better senior sibling. Have fun and treat Bertha well. (Was Bertha the name of the pig that I gave you? I can't remember. Oh well. Have fun.)

Allen P: An "orange" (we both know it's a lemon.)

Matt. F: Matt, to you I leave behind yelling saxes INCREDIBLY highly and loudly to get all of the saxes' attention. I also leave you with an ugly jacket, in honor of Ben Barson. I can't believe that I've known you for that long, but I'm excited to see what you'll do with your future. Have fun with the best section in the band :)

Emma S: Future section leader: you're gonna go places. Have fun, and good luck leading the saxes lol. Squaa~

Logan D: To you, Logan, I leave behind the ability to speak up (and be rude to Matt on occassion.) Be confident, because truth be told you were the best saxophone this season.

Anthony L: Anthony, I gift you the right to wear sunglasses during games as part of your official marching band uniform. Fight the power.

Madison P: To you, Madison, I leave behind the position of symbolic section leader for the saxophone section. Use it wisely :)

Alexandra K: To you, Cookie, I leave behind 10000 wafers, in memory of the wafers that I never got to share with you at away band camp.

Caitie: Good cows :)

Ryan P: Rooming together at band, prank calling our number neighbors, rich man poor man, slaps, three consecutive years of gym class, and Le Maggot. Where do I even begin? You've been there through it all, and I wouldn't have it any other way. You're one of my best friends, and band would've never been the same without you man :)

Robyn: An unbreakable mace because apparently you LOVE destroying them. I also leave you with the bubons from that personal wellness video we made in 9th grade, a packet of ramen from Christmas in APUSH in 10th grade, and \$5 USD as gas money for the times you drove me to Applebee's.

Angelise: I leave you with the permission to send me every single image of Charlie that you take. I'm also leaving you with a typewriter and cottage so that you can write ..... with Amelia.

Amelia: Amelia, I leave you with a cottage and vintage typewriter so that you can write ..... all day with Angelise.

Paige: Paige, I leave you the raise that Heisler's will probably never give you. I'm also giving you a bag of Fritos which ISN'T two years expired, the rain dance we did that one day of practice that actually worked for some reason (?), and a new gravity-defying mouthpiece which you can never lose underneath the bleachers at an away game.

Alex M: Hobble dee squop bop? Pleeble be scorp tork. Fraffle glim beedle bron..... kladdie pam blam gan. Depwa spanewash depla blah! Shoo. Flee.

Kat: Kat..... take a walk with me.

Theo M: Theo, I leave you with a muffler so that I don't have to hear your car from 5 miles away. I also leave you with the really cute ceramic pitcher you made that you hate for no apparent reason.

Teresa: Charlie's Angels, Matt Kelso's fanfic, band with Mr. Nesaw, and that one time on the band bus that I ate 8 bags of goldfish while you sat in the same seat as me in mute horror (if you don't remember this event.. I think it's for the best.)

Michael S: Oh humble and wise section leader; I gift you with Pusheen stickers and a saxophone section groupchat that has people still in it other than me, you, and Emma.

Lexi K: Girl what?

Sophia W: Mr. Elders, Inside Out with Mrs. Pinto, and a leash for Trudy so that she doesn't run at my dog every time I walk past your house. For some reason I keep thinking that you're a five year member, even though I know that isn't right at all.

.....
